5. Parshuram gave that bow to king Janaka to keep it safe.
6. Parshuram was the son of great saint Jamdagni, and was known as the incarnation of God Vishnu. He learned the knowledge of all learnings from his father. Parshuram wanted to learn about the operation of weapons and arms of special type; so he went in penance to please God Shiva. Shiva pleased with him and offered him a parsha and a huge bow named 'Ajpgava' and gave him the knowledge to operate and use these weapons. On reaching his Ashrama, he got knew that king Shahastrabhu Arjun had killed his father, so

he promised to destroy the ksatriyas on the earth to console his weeping mother. After sometime, Parshuram became tired of killing and bleeding and being a Brahmin, he decided to leave all these violences. He determined to go in penance again. King Janaka of Mithila was famous far and wide for his religious and sacrificial tendencies. So, Parshuram went to him and asked to keep the bow safe. He also told king Janaka that only he or anyone who had a portion of God could string the bow on this earth. Janaka declared that he would give his daughter, Sita's hand to the man who prove himself to lift the bow and string it.

### Summative Assessment

#### Answer the following questions :

- The computer is an electronic device which looks like a TV set.

#### 2. Mini Computer

- These computers are faster than micro computers.
- These computers can have more than one CPU.

#### Micro Computer

- These are of smallest size computers.
- It has only one CPU.

- Super computer is the biggest computer.

#### 4. The characteristics of the computer are :

- Speed : A computer can do faster than that of a man. It saves the time and does calculations accurate.
- Accuracy : Computer works with speed and without making any mistake.
- Storage : Disk and memory store the data in a computer. Data can be used after storage.

#### 5. Difference between the man and the computer :

- | Man   | Computer  |
|---|---|
| (i) Man is a living organism.                 | (i) Computer works like a machine and it is lifeless. |
| (ii) Man becomes tired of working.            | (ii) Computer is not tired by working.                |
| (iii) Man commits mistakes while calculating. | (iii) Computer does accurate calculations.            |
| (iv) Man needs time to do the amount of work. | (iv) Computer can do works within seconds.            |
| (v) Man is not operated by electricity.       | (v) Computer is operated by the electricity.          |
| (vi) Man operates computers.                  | (vi) Computer does not operate man.                   |
| (vii) Man can imagine new things.             | (vii) Computer cannot imagine new things.             |

## Trees : Our Friends

### Formative Assessment

#### 1. Tick (✓) the correct option :

- (i) (c) fruits                      (ii) (b) timber  
(iii) (d) all of these              (iv) (c) transpiration

#### 2. Say true or false :

- (i) True              (ii) False              (iii) True              (iv) True

#### 3. Fill in the blanks :

- (i) plants              (ii) fruit              (iii) scorching

#### 4. Match these properly :

- | A                | B                   |
|------------------|---------------------|
| (i) Apricot      | (d) fruit           |
| (ii) Teak        | (c) timber          |
| (iii) Ashoka     | (a) decorative tree |
| (iv) An elephant | (b) wild animal     |

### Summative Assessment

#### Answer the following questions :

1. A tree is a very big plant.
2. Trees serve us with different things like fruits, timber, medicines, shelters for animals and birds, food grains, etc.

#### 1. Tick (✓) the correct option :

- |                          |                              |
|--------------------------|------------------------------|
| (i) (a) Kalinga (odisha) | (ii) (b) output device       |
| (iii) (a) process        | (iv) (a) choose his minister |

### 2. Match these properly :

- | A             | B                      |
|---------------|------------------------|
| (i) Laptop    | (e) micro computer     |
| (ii) Monitor  | (d) output device      |
| (iii) Apricot | (c) fruit              |
| (iv) Teak     | (a) timber             |
| (v) the fox   | (b) is a clever animal |

### 3. Find the odd one out of the following each line :

- |           |               |
|-----------|---------------|
| (i) cave  | (ii) lemon    |
| (iii) car | (iv) roohafza |

### 4. Fill in the blanks :

- (i) grandfather (ii) plants (iii) rain

### 5. Use these pronouns in your own words :

- (i) Your : I am not your friend.
- (ii) his : His friend is not well.
- (iii) him : I sent him a gift.
- (iv) her : Her mother is beautiful.

### Summative Assessment - II

#### 1. Tick (✓) the correct option :

- (i) (c) well
- (ii) (a) pricking a thorn in his toe
- (iii) (a) Patna (iv) (a) sleep properly

#### 2. Say true or false :

- (i) True (ii) True (iii) False (iv) True

#### 3. Fill in the blanks :

- (i) shopkeeper (ii) Russia (iii) scorching (iv) got

#### 4. Change the gender of the coloured words in the following sentences :
